

Key Stage 2 Back to School

Please Read the following information.

June 2020

We have missed you

Hello everyone. It is hard to believe that it is now the end of June and we haven't seen you all since March! We hope that you have stayed safe and well and kept up with some of your schoolwork... but even more importantly, we hope that you have managed to enjoy all this extra time at home with your families, learning new skills and finding lots of fun ways to entertain yourselves. We have been blessed with amazing weather throughout lock down and this has made things much more bearable, although it would of course have been lovely to enjoy lots of outdoor time at school.

Return to School

When we return to school, things are going to look very different. We will need to place a lot of importance on social distancing in the classrooms, corridors (yes we have corridors now!) and even the playground. We will all have to play our part by looking after our personal equipment at our desks, and we will have to learn that we can't share things with friends... this will be difficult for all of us, as we have spent our whole lives learning to be kind and share with others. Our staff will do our best to make sure that coming back is a positive experience for you all.

Children will not need to bring a schoolbag or pencil case when school returns. Please send all the above inside your child's named box file. Please remember that many of these items will need to be replenished throughout the school term.

Remember to keep an eye on the school website for photographic examples of what you need.
We look forward to seeing you all on your return to school in our beautiful new building.
