Dear Parent/Guardian,

Request for Sponsorship of School Football Kit

Our school football team has participated in more football tournaments over the past year. As we enter more competitions, we are looking to provide the children with a new, high-quality football kit that helps them feel confident, united and proud to represent the school.

We are seeking a local business to sponsor the cost of the kit. Your sponsorship would:

- Cover the cost of new football shirts, shorts, and socks
- Allow your business logo to be displayed on the team kit
- Be acknowledged on our school website, newsletters, and match photos
- Show your support for local children and the wider community

In return, your company would receive ongoing positive visibility throughout the school year and at local sporting events across the community.

If you own or work for a company that would be interested in this sponsorship opportunity, we would be very happy to discuss this further and provide any information you may need. Thank you for considering this request and for supporting opportunities for young people in our school community.

I look forward to hearing from you.

Yours sincerely,

Mr. D. Calderwood
