

# Random Acts of Kindness

A brilliant way to start your year with your new class. Pupils should use the kindness card templates below to write down a random act of kindness that they could complete throughout the year. Each day/week a pupil should be awarded the random act of kindness badge and choose a kindness card. They should aim to complete their act of kindness that day or week.

Cut out, laminate and attach string to these badges.

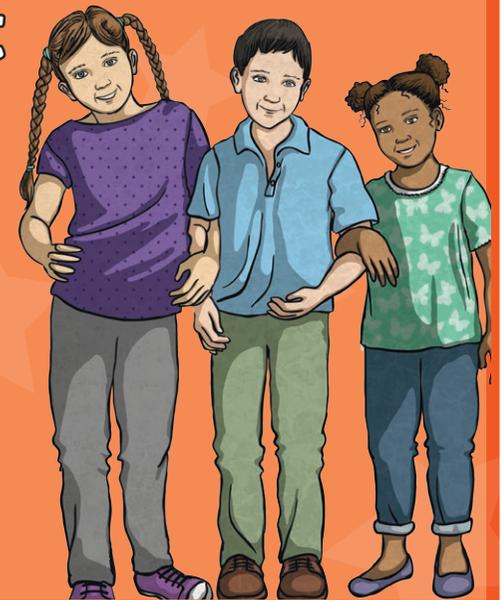

## Random Act of Kindness

I will be carrying out a random act of kindness!

## Random Act of Kindness
