Update re: Learning materials for pupils

Dear Parent/ Guardian,

Since receiving Minister Weir's guidance of 16th March 2020, teachers have been working to prepare materials for children to use at home during the period of school closure. These materials will be ready for collection on Monday (23rd March) from 1pm- 3pm.

We are inviting 1 adult from each family to come to the children's classroom and collect these pupil packs. We would appreciate your assistance in maintaining appropriate social distancing while collecting these and we would ask that adults only collect the pack; not children.

I would encourage you also to continue to visit our website and specific class pages for information from teachers; as well as information about online resources.

While this remains a very challenging and evolving situation, we will endeavour to maintain communication with parents through the usual forums.

Yours faithfully,

_____*J. McAuley*_____

Principal.
